Product Description

Reusable Food Wrap Silicone Storage Caps with Round Designx Easy to Clean

Product Description:

Silicone Stretch Lids are the perfect solution for covering food containers. They are BPA-free, meaning they are safe for your family. These lids can also be used in the freezer and the microwave, making them extremely versatile. The temperature range for these lids is -40 to 230 , which makes them suitable for a wide range of applications. The lids come in a round shape, making them an ideal choice for a variety of containers. They are also refrigerator safe and flexible, making them perfect for creating an airtight seal on any container. With Silicone Stretch Lids, you can be sure that your food will stay fresh for longer.

Applications:

Silicone Stretch Lids: Perfect for Air-Tight Container Lids, Reusable Sealing Lids, and Stretchable Cover Wraps

Silicone stretch lids are the perfect way to keep your food and drinks fresh and secure. These reusable lids are perfect for creating an air-tight seal over bowls, containers, cans, glasses, jars, and more. The transparent silicone lids are non-toxic, microwave safe, and come in a convenient 6-pack. These lids are extremely durable and flexible enough to form an air-tight seal on any size or shape container. Not to mention, they are completely reusable, so you can save money and help the environment at the same time!
